

Town of Whiting

Selectmen's meeting

April 8th, 2024, 6pm

Present- Steve Pressley Sr, Janice Bronson, Robert Curtis, Sydney Pressley, James Jones, Robert Boggia, Goerge Eaton, Shayne Cummings

Agenda 1: citizens' concerns: none

Agenda #2 old/new business:

1. Bob talked about wanting to get the recreational marijuana ordinance changed or a new ordinance in place to make it so marijuana can be grown for sale as recreational use. He provided a draft from Machias with some slight changes towards Whiting. Need to find out the right way to go about it through MMA.
2. James talked about not liking the footage of solar farms in the draft ordinance. As wanted to know about getting grandfathered in and being able to build now. The selectman said that probably wouldn't be happening. James also said that he had people coming from the company putting in the solar farm and they were told not to bother coming to the meeting.
3. The bathroom at the UMH needs a grip bar installed.
4. Signed warrants and approved minutes from last meeting.
5. The CB doors need weather stripping added.

Respectfully submitted.
