

Town of Whiting

Selectmen's meeting

January 8th, 2023, 7pm

Present- Steve Pressley Sr, Janice Bronson, Sydney Pressley, Mary-Alice, Jessiman's, Harold & Carey Crosby

Agenda 1: citizens' concerns: none

Agenda #2 old/new business:

1. The Jessiman's talked about old records and documents that were in their attic from when they bought their house. They were informed that they should contact the Maine state archives, who then told them to turn the records over to the town as they were town documents. The Jessiman's informed the selectman they no longer have the documents and had given them along with a map to Bonnie Healy for preservation and that they could get them from her. Bonnie had informed the Jessiman's that she had given the map to her neighbor and to go there to get it if they wish. Steve said he would go get the map.
2. Mary-Alice talks about historical society's mission on getting and keeping old docs and maps of the town and keeping them from decaying. The historical society wishes to have this map of the town and possibly hang it in the UMH.
3. Read and approved minutes
4. Janice talked to Marion transfer station and all towns had previously voted to have towns pay for any household trash brought the dump from their towns instead of the customer paying themselves. The town will just have to pay the extra trash costs until all towns vote on something different.
5. Talked about getting someone to come and do tax paperwork and w-2s.

Respectfully submitted.
